

Dr Patrick McKeon is a consultant psychiatrist with a special interest in the treatment of mood disorders. Dr McKeon worked at St Patrick's Mental Health Service, Dublin where he established the Bipolar Programme and managed it for 20 years. He is a founding member of the mental health charity, Aware.

His research interests are in the treatment of mood disorders, the genetics of bipolar and peer participation in the provision of mental health services.

Dr McKeon was previously Medical Director of St Patrick's Mental Health Service and Professor of Clinical Psychiatry at Trinity College Dublin. He recently released the Mood Vue app, a daily mood monitor for people with depression and bipolar disorder.
